

METACAR WHITPAPER V1

@Metacartoken

[Metacartoken.com](https://metacartoken.com)

Let's build a community

What is MetaCar ?

Metacar according to large community, has big goals In this version of White Paper, there are nearly on our Twitter, we are sure that we launch an exemplary community in the crypto market, The Metacar Team team goal is to grow strong community, because we believe that community is very important in the crypto market. team has decided not to impose any taxes on transactions because we think its harmful for the holder and has no positive effect on the token market, so the entire transactions belong to you. METACA completely Community-based token completely decentralized , Metacar To launch Nft market

Road Map

V1

1

Bot beta AirDrop
Beta Website design
1.0 Airdrop Bot
publishing white paper
Activation of Metcar token
virtual pages
members in MetaCar 50,000
community

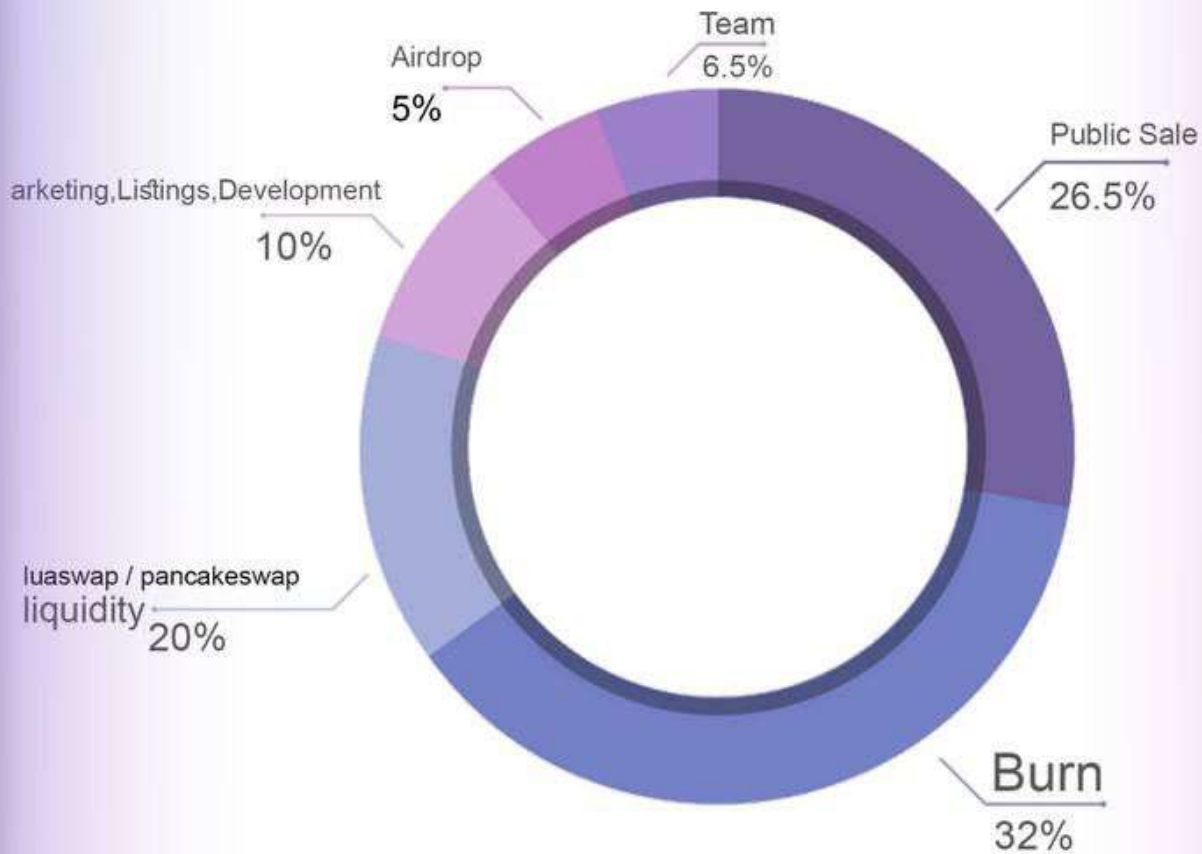

2

Pre/Public-sell
Bridge Tomo - BSC
Creating liquidity in PancakeSwap.
bse and luaswap - tomochain
Liquidity lock for 5 years
Listing CoinMarketCap
Listing coingecko
Listing in centralized exchanges cex

3

Nft MarketPlace For artists
Meme
The second version of the
Mer Nft website
members in Metacar 80,000
community
Listing in centralized ex-
changes cex

sale**

14,000,000,000

BRIDGE TOMOCHAIN - BSC

The JSK team is working on the possibility of bridging the Metacar token from Tomo to BSC and doing its best to make it possible before

Pre/Public-selling , LuaSwap and there is no different from dex bsc – PancakeSwap, but our team makes this possible for the convenience of the holders and announces how to work .

Note that liquidity is generated after pre-sale in dex tomochain .

● Metacar

Let's build strong community
